# BETTER TOGETHER

Policastri  
Law Firm,  
LLC

Selzer Gurvitch is merging with Policastri Law Firm to enhance the Selzer Gurvitch litigation practice. The combination of the two firms will greatly expand the breadth of services available to the clients of both firms.

*"We are incredibly fortunate to join forces with the Policastri Law Firm in order to better serve our collective client base. Clients will have access to sophisticated legal counsel in business, real estate, land use and zoning, tax, and trusts and estates as well as complex dispute resolution and litigation case management under one umbrella."*

*—Andy Polott, managing shareholder of Selzer Gurvitch*

With the merger, Selzer Gurvitch will now have 24 attorneys. This transition represents the second growth milestone for the firm since May 2020 when six powerhouse attorneys joined from the former Linowes & Blocher law firm.
